

EXTRACURRICULAR BOOSTER

2017-2018 Appeal

Joining Together to Strengthen Our Community

Beginning with the 2013-14 school year, student activities and athletics joined together to form a cohesive community. The Extracurricular Booster program's goal is to increase participation and strengthened all student activities at St. Joseph Academy. Booster memberships fund athletic programs along with making upgrades to the athletic facilities. Since 2013 we have upgraded every Athletic venue and supplied equipment and uniforms to all our teams. With your help, we hope to continue to do more for the students of SJA. Please become a member of the 2017-2018 Extracurricular Student Activities Booster and join the St. Joseph Academy Team! *Together We can Achieve More!*
